From: Bobby Zamora

To: Andrew Southern

To Whom It May Concern,

My name is Bobby Zamora. I am a former England international footballer and have played at the highest level for clubs including Tottenham Hotspur, West Ham United, Fulham and Queens Park Rangers, among others. I am also the co-founder and shareholder of Football Escapes, a global football academy that provides training and football holiday experiences alongside current and former Premier League stars.

I am writing to recommend Ella Southern, whom I have had the pleasure of working with on numerous occasions through Football Escapes. During this time, Ella has consistently demonstrated exceptional talent, dedication and a genuine passion for the game.

I believe Ella possesses something truly special. With the right coaching, guidance and continued commitment, she has the potential to develop into a professional footballer. Her work ethic, attitude and willingness to learn have impressed me greatly, and she approaches every opportunity with enthusiasm and professionalism.

I have no hesitation in recommending Ella's footballing ability and character. I wish her every success in her future development and look forward to following her progress in the years ahead.

Yours faithfully,

Bobby Zamora
Former England International Footballer
