To Whom It May Concern,

I am pleased to provide this letter of reference for Morgan Pugh in support of their application for a scholarship at your school. Having observed Morgan's progression and commitment to competitive swimming over the past years, I am confident that his dedication, willingness to learn and perseverance will be a great asset to the school.

Morgan has consistently demonstrated a great work ethic both in and out of the pool. His commitment to training is matched by a quiet determination to improve and a willingness to support his teammates. Whether competing at regional meets or representing Torfaen Dolphins at national level, he approaches each challenge with maturity and focus.

Morgan is coachable, and committed to wanting to improve. He has worked hard over the past 12 months to put himself in a position where he can compete against some of the best swimmers his age not just in Wales but across the UK.

Yours Sincerely

Dr Tom Croke

Head Coach, Torfaen Dolphins Performance
